Hi Carolyn, Casey:

Here are the responses I received from TCEQ and EPA Water on the proposed changes by POHA. Let me know if the proposals are the same as your understanding and we'll get the map changed.

Hi Karen, Sharon, Brian, Casey, Carolyn, Ron:

I received these proposed POHA clarifications to the watershed map. Before EPA GIS modifies the map, I wanted to check with you to see if these clarifications are the same as your understanding.

Please let me know so EPA GIS knows how to proceed, thanks.
